NOT THE AVERAGE "MA"

Universally there is a process that ignites that power within all women whether in their society, their environment or in their lives. They are empowered with the opportunities presented, without limitations nor restrictions. No limits in profession, education or lifestyles. She has the power to make her own decisions. She is a leader, a sister, a daughter, but most importantly she has the mark of a mother. Nor is she just any mother, she's the passionate one, the energetic one, the outgoing one and the confident one that has no problem expressing herself. She has freedom, she is flirty and she is sexy!

She's MILFish!

MILFish Clothing Company is more than t-shirts, jeans and branded accessories, it's an expression of life that stays true to the belief that we all can have a free spirit that's not defined by anywhere, anything or anyone. Never in a box nor ever trapped in traditional spaces, whether she's a mother to 9-year old twins, the literature professor at the university, the owner of a four-legged hound or the driver of a 500 pound, chromed out Harley Davidson... she is amazing. 'Grey Hair And Don't Care' or Overworked and Underplayed, she's loved and desired.

As we aim to be available around the world and featured in all of your favorite department stores, *MILFish Clothing Company* products can be found online at **MILFish.com**.
