MILFISH

Clothing Company

Universally there is a process that ignites that power within all women whether in their society, their environment or in their lives. They are empowered with the opportunities presented, without limitations nor restrictions. No limits in profession, education or lifestyles. She has the power to make her own decisions. She is a leader, a sister, a daughter, but most importantly she has the mark of a mother. Nor is she just any mother, she's the passionate one, the energetic one, the outgoing one and the confident one that has no problem expressing herself.

She's MILFish!

MILFish Clothing Company is more than t-shirts, jeans and branded accessories, it's an expression of life that stays true to the belief that we all can have a free spirit that's not defined by anywhere, anything or anyone. Never in a box nor ever trapped in traditional spaces, whether she's mother to 9-year old twin girls, the high school baseball superstar, the four-legged hound or she's the caretaker of a 130mph chromed out Harley Davidson, she is whom she has become. Age, size or culture does not define her, but it does give her the guidelines of the box she will break out of.

As we aim to be available in all of your favorite department stores, *MILFish Clothing Company* can be found worldwide online at MILFish.com.
